

BENCHMARK[®]
Nurturing Lifelong Relationships

Solar Photovoltaic System

What's at the top, is always a **Benchmark**

Designed by the **Expert**

Installed by the **Efficient**

Serviced by the **Experienced**

E³ = BENCHMARK

Setting new quality standards

About Company

We would be glad to introduce **BENCHMARK AGENCIES PVT LTD** as a highly service oriented company. **BENCHMARK** has million customers who are satisfied with **PRODUCT** backed up by excellent after sales **SERVICE**. Having a team of In-house service keeps us ahead of other competitors who are dependent on contract based teams for service.

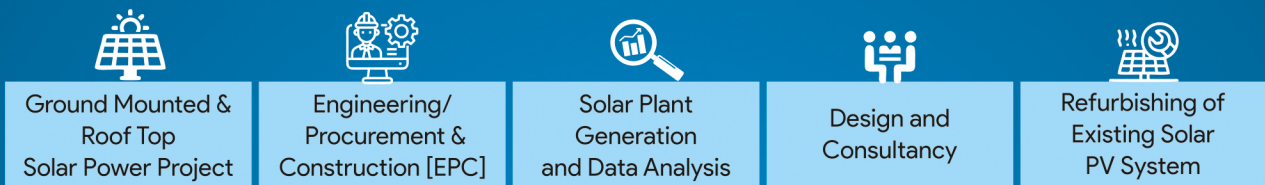

VISION

- To become one of the leading renewable energy company by providing sustainable energy solution in a socially responsible manner.
- Benchmark is highly committed to the protection of environment by bringing change in the energy mix of the country by increasing the share of renewable energy resources, solar and non-conventional energy sources and clean technologies.

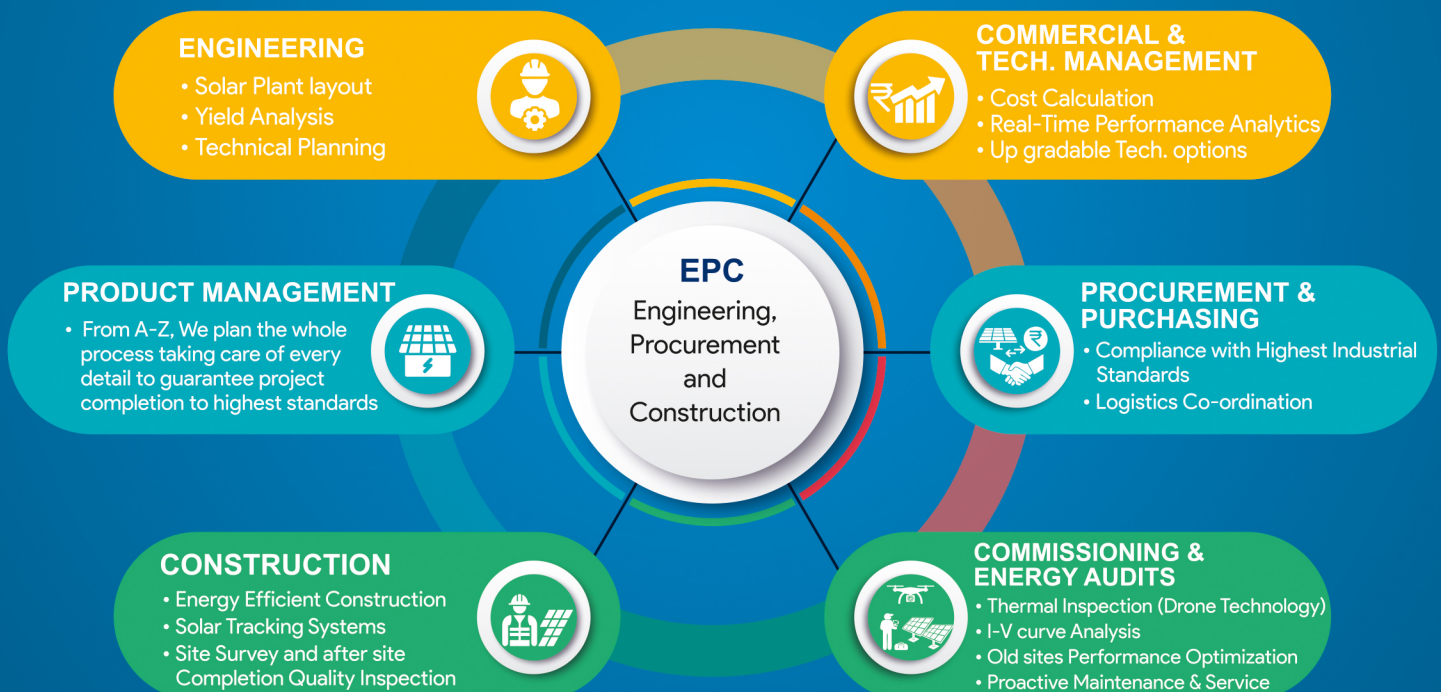

MISSION

- To build renewable energy assets with an unparalleled focus on innovation and technologies.
- To maintain the highest standards of quality, safety and environmental sustainability.
- To be socially responsible and focus on improving the lives of the communities we operate with.
- To be an employer of choice through a culture of trust collaboration transparency.

Our Product and Services

Our Strength

Refurbishing of Existing Solar PV Plant

Cyclone Tauktae 2021 • Wind Speed 220 km/hr

BEFORE

AFTER

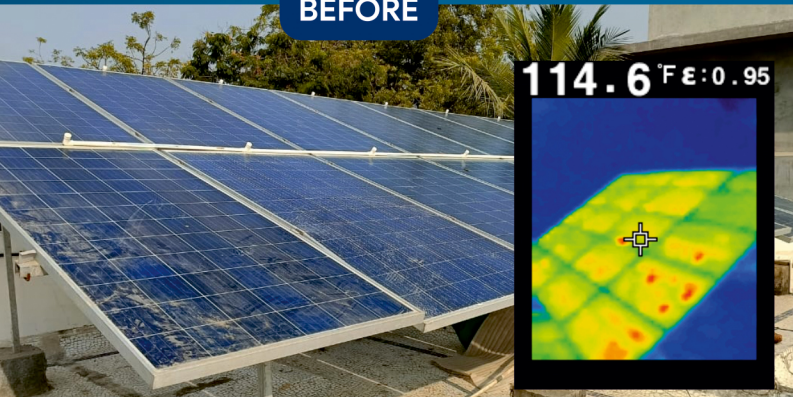

Herald Infratech, Capacity - 1000 Kwp • Location: Una

Thermal Inspection & Reviving Solar Generation

BEFORE

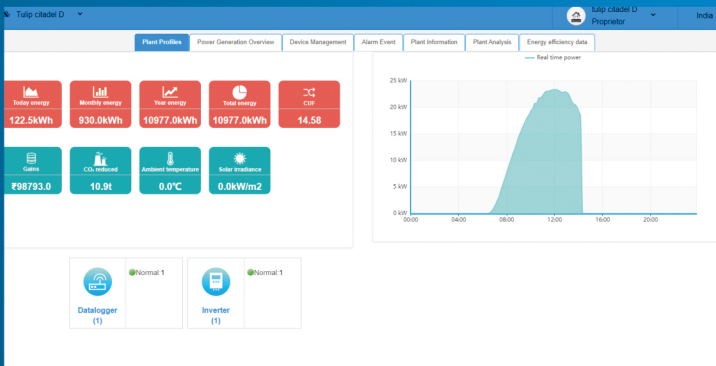

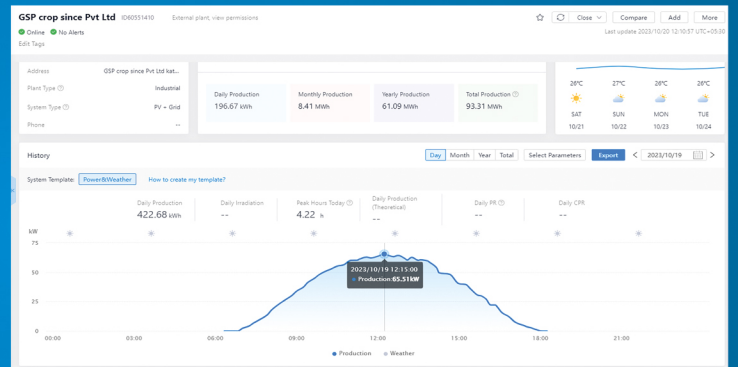

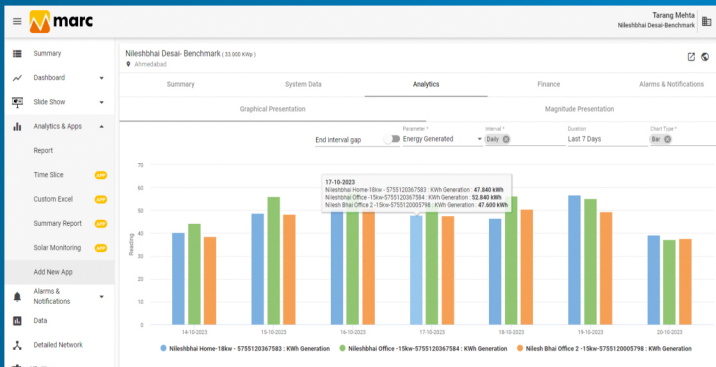

AFTER

Shrimad Rajchandra Sadhana Kendra, Capacity - 70 Kwp • Location: Gandhinagar
